He is leaving nothing undone to make those who attend the picture show, as comfortable as possible. His show bears the reputation of being in a class by itself, being better than any show in El Paso, Amarillo or other cities in the Southwest. He believes in giving the people their money's worth.

Chas. McCrae, manager of the Tucumcari Steam Laundry, recently purchased a fine horse to drive to his laundry wagon. The horse made his wagon look somewhat dingy so Mr. McCrae ordered a fine wagon to go with the horse. It arrived this week and now he has one of the finest rigs in the country. It attracts more attention than a new 12-cylinder automobile and only goes to prove that Mr. McCrae will keep abreast with the times and Tucumcari should be proud of his way of doing business.

H. S. ENTERTAINMENT
A variety program will be given at the High School auditorium Friday evening, April 21, by the boys and girls of the Athletic Association.

Demonstrating that they can act as well as play basketball the girls will present two one-act plays.

The first, "A Little Game With Fate" is dramatic as well as humorous and possesses a real plot. The second, entitled "Where Are Those Men?" is as farcical as its title, and shows how girls can amuse themselves when six men fail to come to their house party.

The boys will present several musical and humorous numbers, so that the whole program will resemble a high-class vaudeville entertainment, worth more than the price of admission. This has been placed at twenty-five cents, so that a good attendance is expected. Proceeds go into the funds of the Athletic Association. Curtain at 8:15.

At a meeting of the Board of Education of the District No. 1, held last Monday afternoon the applications of the teachers now employed, were favorably acted upon, and one new teacher, Miss Aurora Lucero, daughter of the Secretary of State, was elected as head of the Spanish department for the ensuing year. A number of the teachers at present employed, were not applicants for re-election. A more detailed account of the election of the teachers will appear in next week's issue of the News, as the Board of Education will select more teachers this week to fill out the vacancies yet to be filled.

When it comes to Mexico Mr. Bryan seems inclined to admit that an olive branch has its limitations.

Then there is the idiot who rings you up on the phone, opening the dialogue with that intellectual gem, "Bet-cha you can't guess who this is?"

The hospitality of T. R.'s West Indies hosts, was beyond reproach and we see where they even carefully selected a new bird for him to discover.

It might be easier to respect Mexico's integrity if she would only show some.

Rather than waste time arguing, a wise man will let a fool have his own way about it.
